

2026 IRF PPS Workshop

with LISA WERNER, MBA, MS, CCC-SLP

March 26–27 **Ochsner Rehabilitation Hospital**
2614 Jefferson Highway
Jefferson, LA 70121

October 29–30 **Wellstar**
1800 Parkway Place SE
River Birch Room 2nd Floor
Marietta, GA 30067

What you'll get. In our 2026 IRF PPS Workshop, you'll thoroughly review the inpatient rehabilitation facility prospective payment system, optimal coding of the IRF-PAI impairment group codes, tiering comorbidities, section GG functional scores, and quality indicators. We will use case studies to practice IRF-PAI completion and ensure understanding of all items PPS coordinators must validate. You'll get valuable information on using eRehabData® Outcomes Reports to analyze your performance and improve your quality and reimbursement.

DAY 1	8:00 – 8:15 a.m.	Welcome and Introduction
	8:15 – 10:15	Overview of the Medicare IRF PPS
	10:15 – 10:30	<i>Break</i>
	10:30 – 12:00 p.m.	Coding the 60% Rule, Impairment Group, Etiologic Diagnoses, and Comorbidities
	12:00 – 1:00	<i>Lunch</i>

	1:00 – 2:00	Self-Care and Mobility Quality Indicator Scoring
	2:00 – 3:30	Utilizing eRehabData® reports to enhance performance improvement

Who will benefit? This workshop is great for facility leaders/managers, nurse managers, case managers, admissions liaisons and PPS Coordinators. It includes a true back-to-basics review of managing in the current PPS environment, making this workshop great for the new as well as the seasoned inpatient rehabilitation professional.

Lisa Werner is Director of Consulting Services at Fleming-AOD, Inc. and a Product Development Specialist for eRehabData®. Lisa has managed and consulted with healthcare providers of various sizes and types across the continuum of care including short-term acute care, inpatient rehabilitation, long-term acute care hospitals, skilled nursing and outpatient rehabilitation. After working for eight years as a speech-language pathologist, Lisa received her MBA from the University of North Carolina at Chapel Hill.

Since 2006, Lisa has assisted our clients with clinical and financial performance improvement, managing 60% rule compliance, market analysis and strategic business planning, compliance review, reimbursement analysis, and case management for obtaining maximum profitability.
